

Belarus COVID-19 Travel Update – June 28, 2021

According to the U.S. Embassy in Belarus, Americans are allowed to enter, but must be able to complete a full quarantine, and will not be allowed to leave the country until it is done. Most people must plan for a 10-day period, while those in close contact with someone who tests positive for Covid-19 must quarantine for 14 days. The embassy website says Americans must have a negative Covid-19 test to enter but provides no additional details.
